

As of 2/1/09

75 former NPR interns are currently employed by NPR in some way. (This number will drop on 3/21)

30 former NPR interns are working in public radio.

24 former next gen boot-camp participants are working in public radio, whether it's NPR or stations.

46 NPR interns and next gen participants are working in some other form of media (tv, online, commercial radio, magazines, freelancing etc)

Interestingly:

7 former NPR interns/next gen participants are working on grad degrees.

3 former next gen participants work for Spanish language media in Florida

3 former NPR interns are living in Austin TX.

2 one former intern and one former next gen participant) are working for The Bob Edwards Show at XM/Sirius satellite radio

1 former NPR intern (who I found while there on a fellowship) is a tv producer Chile

1 former NPR intern is working for the Chilean Foreign Service and just moved to in Washington DC

1 for next gen participants are at the CBC in Vancouver British Columbia

1 former NPR intern writes for China Daily and lives in

1 former NPR intern is living in Ecuador and files for NPR

1 former next gen participant works for an ad agency in Buenos Aires Argentina.

1 former NPR intern and next gen participant works for a tech company in Buenos Aires Argentina

1 former NPR intern is working on a Phd

1 former next gen/NPR intern now has a Phd and is tenure track professor in North Carolina.

1 former NPR intern works for Google in San Jose CA

1 former NPR intern works for Microsoft in Seattle

1 former NPR intern works for IBM in Boston

1 former NPR intern works for the Edelman PR Agency in NYC
1 former NPR intern writes for Esquire Magazine

Finally, two people interned TWICE at NPR...that I know about :)
